## CAREER OBJECTIVE

I am seeking to flex my creative muscles in a professional work environment. Whether they entail spinning up ideas and building entire worlds, storyboarding imaginative and lively sequences, bringing drawings or models to life through animation, or adding luster through sound design, and bringing them all together in a cohesion via video editing, I eagerly step up.

## WORK EXPERIENCE

### TIC Summer Camp (June - August 2018)

*2D Animation Counselor*

- Helped campers on a one-on-one basis to create their own animations utilizing Adobe Animate and Dragonframe, and editing videos using Adobe Premiere.
- Taught children ages 6-14 the principles of animation
- Collaborated with fellow counselors to encourage a positive, creative environment

### An Ax To Grind (2017)

*Director, Storyboard Artist, 2D Animator, Music Composer*

- Senior Film. Conceptualized, storyboarded, animated, and musically composed independently

### Global Game Jam (2016-2017)

*Art director and asset creator*

- Collaborated in team with programmers and a composer to create a top-down shooter in Unity (*Hue Will Die (2017)*), and a rhythm-based game (*Rhythm Monk (2016)*)

### Coach Wright Consulting (2016)

*Graphic Design Intern*

- Designed posters to advertise this entrepreneurship and its affiliates

### Richmond Korean Presbyterian Church (2013, 2016, 2017)

*Fun Fun Summer School Teacher*

- Taught classes to children of high school grade level and under
- Created curriculum by condensing average school year to a month
- Developed assignments and projects to educationally stimulate students in the fields of English, Mathematics, and extracurriculars
